

Convenience Power Stapler

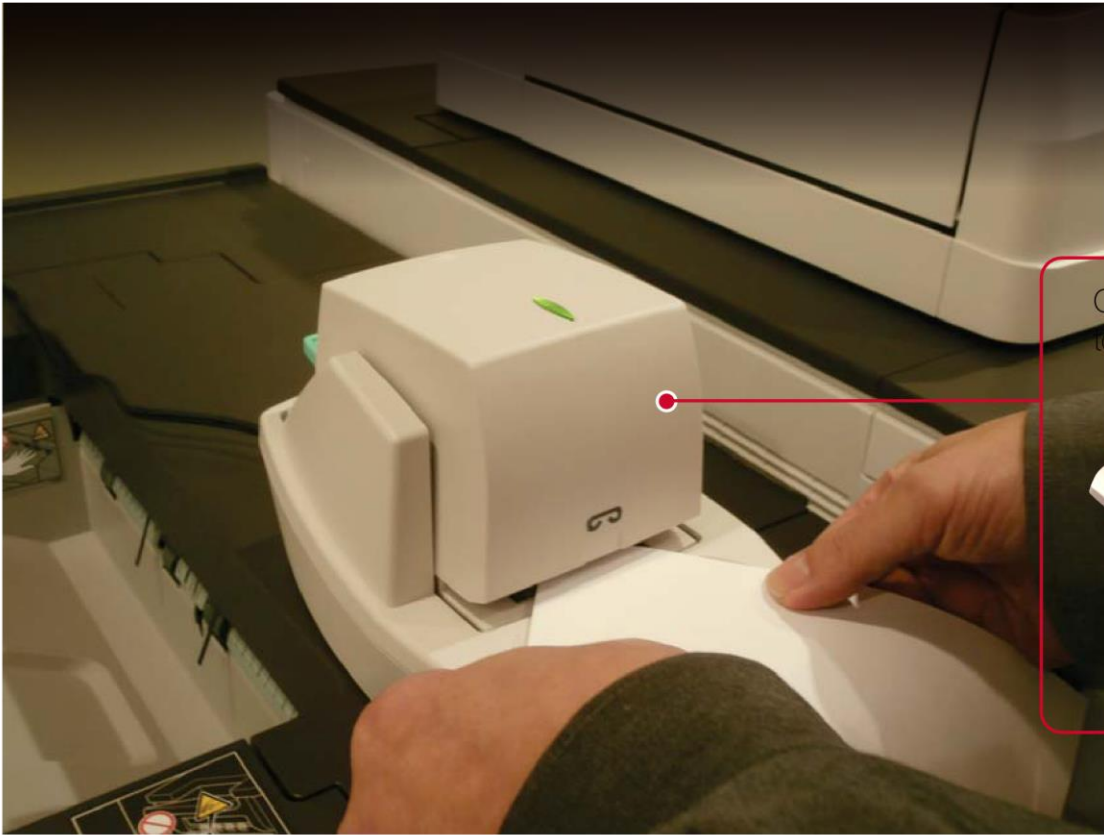

EH-C591R

Maximum Performance. Maximum Quality.

Small. Versatile. Powerful.
That's the Convenience Power Stapler.

With a compact, portable design, the Convenience Power Stapler is built to sit right where it's needed most: directly on or beside your MFP. Thanks to its ability to sense paper entering the device, the Convenience Power Stapler only requires the user to place documents under the staple symbol - triggering an automatic and secure staple that can bind up to 50 sheets at a time. Heavy duty, business-grade construction means Convenience Power Stapler is sturdy and reliable-and a welcome addition to the efficiency and productivity of your office.

Compact size fits on the top of several Finishers.

Features

Staple reloading is simple and takes just seconds

High capacity staple refills -5000 per unit

Flat clinch staple closes flat, papers stack neatly and evenly.

Fastenings strips affix the device firmly to any level surface.
